I was appointed to the Los Angeles City Fire Department on March 18, 1947. In my 31 years on the job, I served the Fire Department in almost every area of the City. My assignments included Fire Suppression, Fire Prevention, Mountain Patrol, Training and Building Services and retiring from Fireboat 2 as a Captain on June 26, 1978.

My liaison assignments as a Director are with the Fire and Police Pension Department, the Los Angeles Fireman's Relief Association and assisting members as requested.
